

LASH LAUNCH

Ardell Lashes celebrated the launch of their latest premium lash range, the Remy collection, along with their new Duo 2-in-1 Lash Adhesive, with a cocktail party. Christopher Hanna's Bridge Lane Bar hosted a mix of media, influencers and MUA's at the event, where guests sipped on customised cocktails and a selection of canapes. All attendees were treated to Ardell lash applications by Samantha Lee MUA, and Christopher Hanna Salon gave GHD curls to those after some extra glamour. Photos: Mitch Ferris.
